Emelie Östergren's Second Story about
Mr Kenneth and His Adventures

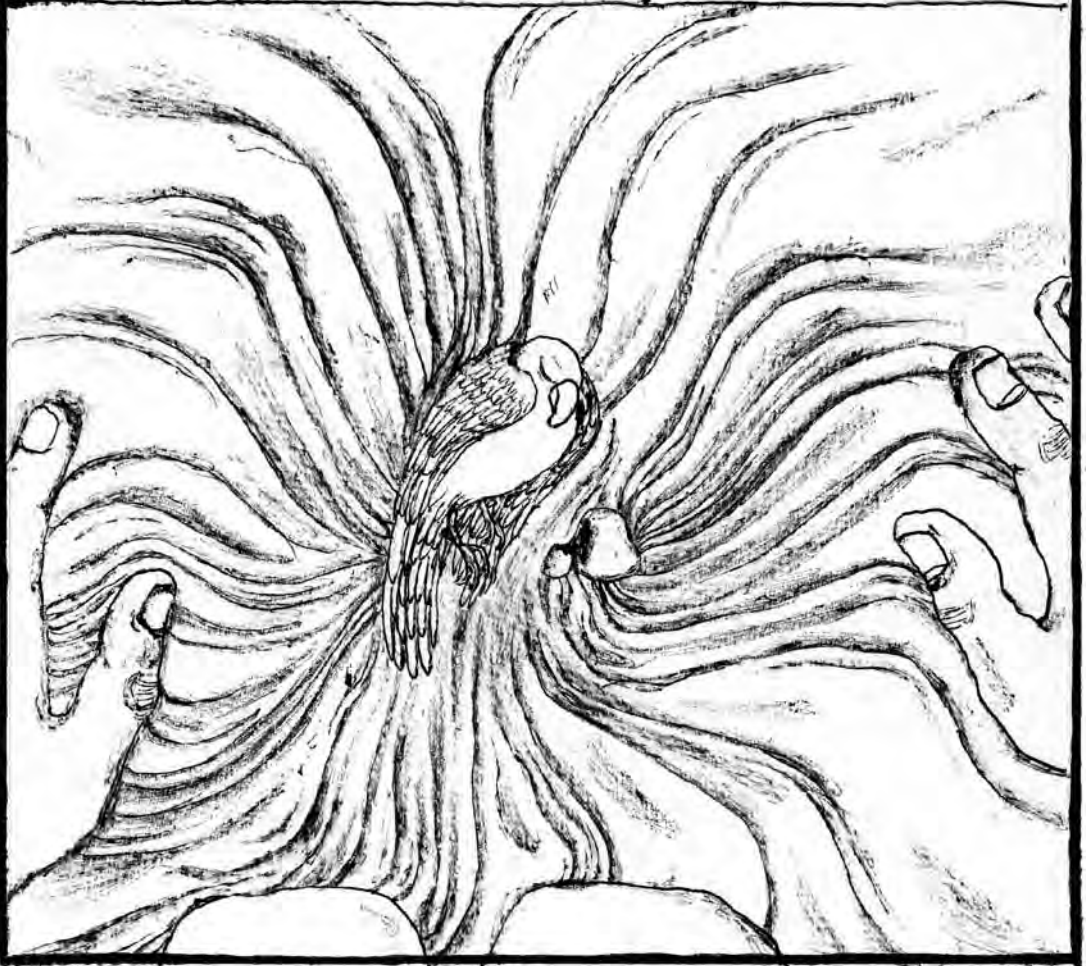

Mr. Kenneth is the creator of the Evil Dress which would destroy all girls. His plan was close to succeeding when a girl broke into Mr Kenneth's laboratory and fell victim to his villainous plans. The girl disappeared deep inside the dress, right in front of Mr Kenneth. At that very moment the doorbell rang in Mr Kenneth's house, and there lay his beloved parrot Chopain stabbed to death on the ground.

That someone
had taken the life
of Mr Kenneth's
parrot Chopain
caused him
great pain.
